

AMENDED IN ASSEMBLY JUNE 14, 2006

AMENDED IN SENATE MAY 11, 2006

SENATE BILL

No. 1384

Introduced by Senator Kuehl

(Coauthors: Assembly Members Goldberg, Koretz, and Pavley)

February 21, 2006

An act to amend Sections 132610, *132615*, 132625, 132645, and 132650 of the Public Utilities Code, relating to transportation.

LEGISLATIVE COUNSEL'S DIGEST

SB 1384, as amended, Kuehl. Los Angeles-Exposition Metro Line light rail project.

Existing law establishes the Los Angeles County Metropolitan Transportation Authority (LACMTA) as the single successor agency to the Southern California Rapid Transit District and the Los Angeles County Transportation Commission. The LACMTA is responsible for most transit guideway projects in Los Angeles County and has specified duties and responsibilities with regard to transportation. Existing law also establishes the Exposition Metro Line Construction Authority for the purpose of awarding and overseeing final design and construction contracts for completion of the Los Angeles-Exposition Metro Line light rail project, as specified. Existing law requires, upon allocation of federal and local funds by the LACMTA for these purposes, the construction authority to conduct the financial studies and the planning and engineering necessary for completion of the project. Existing law requires the LACMTA to identify and expeditiously enter into an agreement with the construction authority to hold in trust with the construction authority all real and personal property, and any other assets, accumulated in the planning, design,

and construction of the project. Existing law requires the authority to be dissolved upon completion of the project and requires the LACMTA to assume responsibility for operating the project upon dissolution of the authority.

This bill would require the construction authority, upon allocation of federal, state, and local funds by the LACMTA for these purposes, to conduct environmental studies in addition to the financial studies and the planning and engineering necessary for completion of the project. *The bill would authorize members or employees of certain local government authorities that appoint members to the construction authority to also be appointed as members of the board of the construction authority.* The bill would revise the provisions requiring the LACMTA to enter into an agreement with the construction authority to hold in trust certain property and assets. The bill would require the LACMTA to assume responsibility for operating the project upon completion of the project or any of its phases. The bill would make other related changes.

Because this bill would impose additional duties on the LACMTA and the construction authority, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 132610 of the Public Utilities Code is
- 2 amended to read:
- 3 132610. (a) The authority has all of the powers necessary for
- 4 planning, acquiring, leasing, developing, jointly developing,
- 5 owning, controlling, using, jointly using, disposing of, designing,
- 6 procuring, and building the project, including, but not limited to,
- 7 all of the following:
- 8 (1) Acceptance of grants, fees, allocations, and transfers of
- 9 funds from federal, state, and local agencies, and private entities.

1 (2) Acquiring, through purchase or through eminent domain
2 proceedings, any property necessary for, incidental to, or
3 convenient for, the exercise of the powers of the authority,
4 provided the authority shall use existing right-of-ways where
5 feasible.

6 (3) Incurring indebtedness, secured by pledges of revenue
7 available for project completion.

8 (4) Contracting with public and private entities for the
9 planning, design, and construction of the project. These contracts
10 may be assigned separately or may be combined to include any
11 or all tasks necessary for completion of the project.

12 (5) Entering into cooperative or joint development agreements
13 with local governments or private entities. These agreements may
14 be entered into for the purpose of sharing costs, selling or leasing
15 land, air, or development rights, providing for the transferring of
16 passengers, making pooling arrangements, or for any other
17 purpose that is necessary for, incidental to, or convenient for the
18 full exercise of the powers granted to the authority. For purposes
19 of this paragraph, “joint development” includes, but is not limited
20 to, an agreement with any person, firm, corporation, association,
21 or organization for the operation of facilities or development of
22 projects adjacent to, or physically or functionally related to, the
23 project.

24 (6) Relocation of utilities, as necessary for completion of the
25 project.

26 (b) The duties of the authority include, but are not limited to,
27 all of the following:

28 (1) Conducting financial and environmental studies, planning,
29 and engineering necessary for completion of the project.

30 (2) (A) Adoption of an administrative code for administration
31 of the authority in accordance with any applicable laws,
32 including, but not limited to, the Ralph M. Brown Act (Chapter 9
33 (commencing with Section 54950) of Part 1 of Division 2 of Title
34 5 of the Government Code), contracting and procurement laws,
35 laws relating to contracting goals for minority and women
36 business participation, and the Political Reform Act of 1974
37 (Title 9 (commencing with Section 81000) of the Government
38 Code).

39 (B) (i) The administrative code adopted under subparagraph
40 (A) shall include a code of conduct for employees and board

1 members that is consistent with Sections 84308 and 87103 of the
2 Government Code and prohibits board members and staff from
3 accepting gifts valued at ten dollars (\$10) or more from
4 contractors, potential contractors, or their subcontractors.

5 (ii) The code shall require the disclosure, on the record, of the
6 proceedings by the officer of the agency who receives a
7 contribution within the preceding 24 months in an amount of
8 more than two hundred fifty dollars (\$250) from a party or
9 participant to a proceeding, and the disclosure by the party or
10 participant.

11 (iii) The code shall provide that no officer of the agency shall
12 make, participate in making, or in any way attempt to use his or
13 her official position to influence the decision in a proceeding, as
14 described in Section 84308 of the Government Code, if the
15 officer has willfully or knowingly received a contribution in the
16 amount of more than two hundred fifty dollars (\$250) within the
17 preceding 24 months from a party or his or her agent, or from
18 any participant or his or her agent, if the participant has a
19 financial interest in the decision.

20 (iv) Any officer deemed ineligible to participate in a
21 proceeding due to the provisions of this code of conduct may be
22 replaced for the purposes of that proceeding by an appointee
23 chosen by the appropriate appointing authority.

24 (v) Under the code of conduct, board members shall be
25 deemed to have a financial interest in a decision within the
26 meaning of Section 87100 of the Government Code if the
27 decision involves the donor of, or intermediary or agent for a
28 donor of, a gift or gifts aggregating ten dollars (\$10) or more in
29 value within the 12 months prior to the time the decision was
30 made.

31 (vi) *Board members, alternate members, officers, consultants,*
32 *and employees shall not be considered financially interested*
33 *solely by virtue of their holding office or being employed by the*
34 *authority as well as an appointing authority set forth in*
35 *subdivision (a) of Section 132615, and they may participate in*
36 *decisions and agreements regarding the authority and any of the*
37 *appointing authorities set forth in subdivision (a) of Section*
38 *132615. The participation described in this clause shall not*
39 *constitute a conflict of interest under Section 1090 of the*

1 *Government Code and shall not constitute an incompatible*
2 *activity under Section 1126 of the Government Code.*

3 (3) As necessary for final design and construction, completion
4 of a detailed management, implementation, safety, and financial
5 plan for the project and submission of the plan to the Governor,
6 the Legislature, and the commission.

7 (c) The authority shall make reasonable progress, as
8 determined by the commission, in the final design and
9 construction of the project.

10 (d) The duties and responsibilities imposed by this section
11 shall be contingent upon allocation of federal, state, and local
12 funds by the LACMTA for these purposes.

13 *SEC. 2. Section 132615 of the Public Utilities Code is*
14 *amended to read:*

15 132615. (a) The authority shall be governed by a board
16 consisting of seven voting members who shall be appointed as
17 follows:

18 (1) Two members shall be appointed by the City Councils of
19 the Cities of Santa Monica and Culver City with each city
20 council appointing one member by a majority vote of the
21 membership of that city council.

22 (2) Two members shall be appointed by the Los Angeles
23 County Board of Supervisors.

24 (3) One member shall be appointed by the LACMTA.

25 (4) Two members shall be appointed by the City Council of
26 the City of Los Angeles by a majority vote of its membership.

27 (b) All members shall serve a term of not more than four
28 years, with no limit on the number of terms that may be served
29 by any person.

30 (c) Each appointing authority shall also appoint an alternate
31 member to serve in a member's absence. If the position of a
32 voting member becomes vacant, the alternate member shall serve
33 until the position is filled as required pursuant to subdivision (a).

34 (d) Members of the board are subject to the Political Reform
35 Act of 1974 (Title 9 (commencing with Section 81000) of the
36 Government Code).

37 (e) Four members of the board shall constitute a quorum.

38 (f) The board shall elect a chairperson and vice chairperson
39 from among the membership of the board.

(g) Each member of the board may be compensated at a rate of not more than one hundred fifty dollars (\$150) per day spent attending to the business of the authority. Compensation, if paid, shall not exceed six hundred dollars (\$600) per month, plus expenses directly related to the performance of duties imposed by the authority, including, but not limited to, travel and personal expenses.

(h) The Chief Executive Officer of the LACMTA shall serve on the board as an ex officio, nonvoting member.

(i) Members appointed to the board may include members or employees of the appointing authorities set forth in subdivision (a).

~~SEC. 2.~~

SEC. 3. Section 132625 of the Public Utilities Code is amended to read:

132625. The LACMTA shall identify and expeditiously enter into an agreement or agreements with the authority to do all of the following:

(a) Hold in trust with the authority all real and personal property, and any other assets accumulated in the planning, design, and construction of the project, including, but not limited to, rights-of-way, documents, third-party agreements, contracts, and design documents, as necessary for completion of the project, unless otherwise agreed upon by the LACMTA and the authority.

(b) Outline the design review, construction, and testing process that acknowledges LACMTA's direct role in the review of the project to ensure the final project will be compatible, functionally connected, and operative within LACMTA's existing metro rail system.

(c) Describe the various funding sources and the obligations of the authority to assist LACMTA obtain federal, state, and local funds for the project, and the authority's obligations and duties upon receipt of the funds necessary to construct the project.

(d) Describe all financial elements of the project, and the budget approved for the project.

~~SEC. 3.~~

SEC. 4. Section 132645 of the Public Utilities Code is amended to read:

1 132645. The authority shall not encumber the project with
2 any obligation that is transferable to the LACMTA upon
3 completion of the design and construction of the project. The
4 design and construction to be administered by the authority does
5 not include rolling stock *and fare collection equipment*, which is
6 a component of the operation of the project and shall be provided
7 and administered by the LACMTA.

8 ~~SEC. 4.~~

9 SEC. 5. Section 132650 of the Public Utilities Code is
10 amended to read:

11 132650. The authority shall be dissolved upon completion of
12 construction of the light rail project. The LACMTA shall assume
13 responsibility for operating the project upon completion of the
14 project or any of its phases.

15 ~~SEC. 5.~~

16 SEC. 6. No reimbursement is required by this act pursuant to
17 Section 6 of Article XIII B of the California Constitution because
18 the only costs that may be incurred by a local agency or school
19 district are the result of a program for which legislative authority
20 was requested by that local agency or school district, within the
21 meaning of Section 17556 of the Government Code and Section
22 6 of Article XIII B of the California Constitution.

23 SEC. 7. *The provision of this act, enacted at the 2005–06*
24 *Regular Session, are declaratory of existing law as they pertain*
25 *to conflicts of interest, incompatible activities, and the ability of*
26 *board members, alternate members, officers, and employees to*
27 *participate in decisions and agreements regarding the Exposition*
28 *Metro Line Construction Authority and any of the appointing*
29 *authorities set forth in subdivision (a) of Section 132615 of the*
30 *Public Utilities Code.*
